AWARDS

June 2018 St. Joost Penning 2018, C-Section, The Musical, award for the best graduation project of AKV | St. Joost Breda

UNDERTAKINGS

2017 Internship, Locatietheatergezelschap PeerGroup
Internship at location-theatre-group PeerGroup in Donderen, linked to Radius Project which connects scientists, artists and locals to work on the livability of an area, Allardsoog.

2017 - 2018 Part of Class of '18, Studium programme, Witte de With
Class of '18 is a peer-led education initiative by Witte de With Center for Contemporary Art. Each year a select group of students from partner institutions collaboratively explore art and art education on the intersection of the professional field and higher education curriculums.

2018 - present Part of YAFF (Young Artists Feed Forward), Art Collective
YAFF is a nomadic artists collective and is working on strategies for injecting artistic autonomy into new possible markets; offering supply without much regard for demand.

2019 - present Curator, Wrong Router, The Hague
The wrong router is a device designed and engineered to display digital art to everyone nearby with a smart phone or tablet.
